*Before purchasing a laptop or tablet for school, please connect with your child's teacher to determine the technology needs of their specific classroom. Information about the Bring Your Own Device Program will be sent home to families in the first few weeks of school. For those that may not be able to provide their own devices, a device will be provided at school.

****Please note that this is a general list of supplies that may be needed, but that some teachers may ask for other specific supplies for their class after school begins in September. Students do not necessarily have to have all of these supplies on the first day—we suggest bringing at least a duotang with some looseleaf paper in it and a few writing utensils to start!****
